About US

Being associated with the construction profession, I always had a desire to establish a construction company strong enough to curb many of the prevalent ill practices such as time and cost overruns, quality lapses and other malpractices associated with the profession.

With these objectives, the formation of United Oasis Contracting Est. came into being.

Simultaneously there was a desperate desire to get a space in the market with recognition and admiration on the basis of performance alone. As a company that is re-writing the future through construction, providing fast-track services alongside operating sustainability is central to our mission. Timely completion has always been a dream for the clients in general and in this fast-paced world we ensured that our dedicated and untiring team of workers and staff have the skills to innovate and meet our clients' needs. Almighty helped us and very soon the committed hard work started paying off with United Oasis Contracting Est. completing numerous projects either on-time or even earlier.

I am thankful to my staff and workers and hereby acknowledge their hard work. I also take this opportunity to pledge that I and the United Oasis Contracting Est. team will endeavor to devote our full efforts to exceed our clients' expectations and ultimately impact Saudi Arabia economy in positive, meaningful ways.

Introduction

Our Code of Conduct Speaks to the best of who we are and is integral to Our continuing efforts to build the character of our workforce and our Company in additions, we take pride in building quality projects and Value for our customers as well as rewarding careers for our employees.
